ARGENTINA

Further details have been reported linking army and police officials to the killing of 30 alleged Montonero guerrillas whose bodies were discovered on 20 August. Any further excesses may greatly damage the government's image and cause differences within the military establishment. ~~(S/NOFORN/ORCON/NOCONTRACT/WNINTEL)~~

CHILE

OUTLOOK FOR THE FOURTH YEAR OF MILITARY RULE ~~(S)~~

DIAIAPPR 276-76
10 September 1976

Chile faces many problems in the year ahead. Movement toward constitutional government with the creation of a Council of State may presage reinstitution of a unicameral legislature and the possibility of majority popular elections, which would be the the first in six years. The Pinochet administration, however, remains opposed to political activity in general. Problems with the Catholic Church and the Christian Democratic Party have continued and will probably follow into the fourth year of rule. Civilian advice to the junta will be sought but often ignored. ~~(S/NOFORN/NOCONTRACT/WNINTEL)~~
